

Lesson Plans Reception/KS1

Our Nursery classes are roughly equivalent to Nursery, Reception and Year 1 in the UK

1. Comparing your children's lives with our children's lives (Our lives videos)
Watch the KS1 video. What are the similarities/differences between their lives and the children of COH? How would their lives be different if they lived in Namatala?
2. Craft Activity- in this activity they use glue made out of flour and water to carry out two activities:

A butterfly made using bottle tops:

Flowers, fish, chains and fans made out of strips of paper:

3. Song (Nursery song video): Teacher Stella demonstrates singing a song about the lack of rain for animals. You could split your class into four groups and they could be the four animals: tortoise, cow, goat and bird.

Okolodong imonyiyo? Imonyisio akiru, akiru, akiru

Tortoise why are you crying? We are crying for rain, rain, rain

Emonyete akutuc da- mo, mo, mo, mo imonyisio akiru

Even the cows are crying- moo, moo, moo, moo, we are crying for rain

Emonyete akinei da- me, me, me, me imonyisio akiru

Even the goats are crying- mee, mee, mee, mee, we are crying for rain

Emonyete akwany da- chii-chii-chii, chii imonyisio akiru

Even the birds are crying- cheep, cheep, cheep, cheep we are crying for rain.
